# 2015 GM COLORADO/CANYON 4WD 2" DIRT LOGIC 2.5 COILOVER SYSTEM

**NEW PRODUCT**

## OVERVIEW

Fabtech's Dirt Logic Coilover system for the late model Colorado and Canyon provides 2" of front lift while upgrading the ride quality of the vehicle. The 2" of front lift helps to level the stance of the vehicle front to rear.

The factory front Coilover shocks are replaced with stainless steel Dirt Logic 2.5 Coilovers featuring Eibach coil springs for a superior ride both on and offroad. The rear shocks are replaced with stainless steel Dirt Logic 2.25 shocks for increased suspension performance. Both front and rear Dirt Logics have been ride tuned to this vehicle to provide increased damping for offroad with an excellent highway ride.

## INSTALLATION & TECH

- Estimated installation time - 1 hrs
- Amount of holes to drill for installation- 0
- Welding Required- NO

## TIRE & WHEEL SIZE

- TIRE - 285/65/R18      WHEEL - 18x9 w/ 5" Back Spacing
